

**MINUTES OF THE 15TH MEETING OF THE STEERING COMMITTEE ON
INTEGRATED WATERSHED MANAGEMENT PROGRAMME HELD ON
30.09.2010 AT NIRMAN BHAVAN, DEPARTMENT OF LAND RESOURCES,
NEW DELHI**

The 15th meeting of the Steering Committee on Integrated Watershed Management Programme (IWMP) was held on 30.09.2010 under the chairpersonship of Secretary, Department of Land Resources at NBO Building, Nirman Bhavan, New Delhi. The list of participants is at Annexure-I.

2. The Joint Secretary welcomed the participants and requested the State representatives from Chhattisgarh, Gujarat, Maharashtra, Manipur, Nagaland, Orissa and Uttarakhand to present the proposals to the Committee for appraisal.

3. Chhattisgarh

- (i) The CEO, SLNA, Chhattisgarh made a presentation on performance of the IWMP projects sanctioned to State during 2009-10 and proposals for 2010-11. The State has proposed to treat 745 micro-watersheds over an area of 2.99 lakh ha against the allocated target of 2.36 lakh ha for 2010-11.
- (ii) Regarding progress of pre-IWMP projects in Chhattisgarh, the State Government was advised to speed up the works and complete all the pre-hariyali projects by March 2011. The State Government was also requested to formally close the identified non-performing projects and submit all necessary documents regarding closure of such projects. The State representative stated that they will complete all pre-Hariyali projects by March 2011. Regarding closure of identified non-performing projects in Dantewada Districts, he had stated that instructions to the PIAs have already been given to submit all necessary documents at the earliest.
- (iii) Regarding the institutional arrangement, the State representative informed the Committee that the recruitment and placement of experts & staff has been completed for WCDCs, PIAs/WDTs and WCs. In case of SLNA, 8 more experts & staff are yet to be recruited and the same will be completed by end of November, 2010. The expenditure incurred so far under IWMP was Rs.11.77 crore which works out to 23% of the central assistance released to SLNA, Chhattisgarh under IWMP. The Committee observed that the pace of progress in implementation of IWMP is slow and needs improvement.

- (iv) On the district-wise proposals of Chhattisgarh for 2010-11, it was pointed out that in some of the projects (Sarguja-VI & VIII, Korba-III, Champa-VIII, Mahasamund-VI and Kabirdham-III), the area proposed for treatment is very large (8000 Ha. or more per project) whereas in the projects namely Raipur-V, VI & VII, Mahasamund-IV, Rajanandagaon-IV & Kanker-III, the area proposed for treatment is very small (less than 2000 ha. per project). In this regard, the Committee advised the State to revise the projects with manageable project sizes. It was also pointed out that in the presentation names of the PIA's have not been indicated. On this, the State representative agreed to furnish project-wise PIA's and a certificate from SLNA stating that all the parameters for selecting NGOs as PIA's prescribed in the Common Guidelines, 2008 have been followed.
- (v) After considering the district wise proposals, the Committee appraised and cleared 67 projects (number projects subject to change on revision of project area) over an area of 2.99 lakh ha for the year 2010-11 as proposed by Chhattisgarh. The list of projects cleared by the Committee is at **Annexure-II**.

4. Gujarat:

- (i) The CEO, SLNA, Gujarat made a presentation before the Steering Committee about the achievements made under IWMP and projects to be taken up during 2010-11. In the presentation, it was informed that DPR preparation for the projects sanctioned during 2009-10 is at final stage and will be completed by 15.10.2010. The recruitment & placement of experts and staff has been completed at all levels of dedicated institutions. Capacity building plan has also been completed.
- (ii) Regarding the pre-IWMP projects, the Principal Secretary (RD), Govt. of Gujarat informed the committee that the progress of the ongoing projects is monitored regularly and assured that ongoing pre-IWMP projects will be completed as per timelines prescribed by the DoLR. Further, she assured that all the documents necessary for completion of ongoing projects/ closure of non-performing projects will be made available to the DoLR by the end of October 2010.

- (iii) It was informed that the Entry Point Activities (EPAs) have been identified. The plan of estimates of EPAs is under progress and assured to complete EPAs by December, 2010.
- (iv) With reference to expenditure incurred (3.1 % of funds released to SLNA) under IWMP, Committee opined that there is need to expedite pace of implementation of the programme.
- (v) CEO, SLNA, Gujarat also informed the Committee that no reserve forest areas have been included in the projects proposed for consideration. Committee advised the State representative to furnish a certificate from SLNA stating that no reserve forest areas have been included in any of the projects proposed for consideration of the Committee for 2010-11.
- (vi) With reference to the Project Implementing Agencies, Committee pointed out that names of the PIA's have not been indicated and advised the State to indicate names of the PIA's while issuing the sanction of the projects. During the discussion, State representative informed the Committee that the PIAs are line departments. In this connection, State was advised to explore possibilities of engaging other PIA's also who have experience and expertise in the field of watershed management available in the State.
- (vii) After considering the district-wise proposals, the Committee appraised and approved 141 projects over an area of 7.1366 lakh ha for the year 2010-11 for Gujarat subject to condition that SLNA, Gujarat furnishes a certificate stating that no reserve forest areas have been included in any of the projects proposed for 2010-11 under IWMP. Further, the Committee informed the Principal Secretary (RD), Gujarat that the funds for the projects covering 5.15 lakh ha. allocated for the State for 2010-11 will only be considered now. Release of central assistance for additional project area of 1.9866 lakh ha. proposed for 2010-11 will be considered after taking stock of the demands received from other States. The list of projects in the above two categories are mentioned separately in **Annexure-II**.

5. Maharashtra

- (i) The Secretary, Water Conservation Department & Chairman of the SLNA, Maharashtra made a presentation on the projects to be taken

up during 2010-11 and progress made in the projects sanctioned during 2009-10.

- (ii) On the progress of pre-IWMP projects in the State, the Committee was informed that the State Government had already started the process of closure of non-performing projects and all necessary documents would be submitted to DoLR after formally closing the projects. The State representative informed that the State Department is taking all necessary measures for completing the pre-Hariyali projects by March 2011.
- (iii) Regarding the progress under IWMP, it was informed that the recruitment & placement of experts & staff is not yet completed and assured to complete the same by November 2010. The work on DPR preparation has been expedited after engaging services of NGOs for assistance and the same is likely to be completed by December 2010. A list of entry point activities proposed to be undertaken was also presented. The Chairman, SLNA assured to complete EPAs by February, 2011. On this, NRAA representative suggested to prioritize the entry point activities and focus mostly on production enhancement activities in rainfed areas.
- (iv) For capacity building, it was informed that a plan has been developed. YASHADA, Pune is functioning as State Level Apex organization for this activity.
- (v) On the financial progress under IWMP (Expenditure being only 1.77 % funds released to SLNA), the Committee pointed out that pace of expenditure was very low and needed immediate measures to expedite implementation of the programme so that projects would be able to follow their time lines.
- (vi) After considering the district-wise proposals, the Committee appraised and approved 370 projects over an area of 16.14 lakh ha (list at **Annexure-II**) for the year 2010-11 for Maharashtra. However, Committee decided that release of central assistance will be made for 2010-11 projects only after seeing the improvement in the performance of the projects sanctioned during 2009-10 by the Chairperson of the

Committee. Release of central assistance over and above the allocated area of 8.95 lakh ha will be considered after taking stock of the demands received from other States.

6. MANIPUR

- (i) The presentation was made by the CEO, SLNA, Manipur. The State has proposed 487 micro-watersheds covering 1,27,626 ha against the minimum area allocation of 1.54 lakh ha for the year 2010-11. He informed that the State had not taken up any project under IWMP during 2009-10, as the SPSP was not ready last year. He informed that the Chief Secretary is the Chairman SLNA, and he is also heading the Planning Department. The Nodal Department for IWMP projects is the Planning Department. The District level Agency will be the DWDU headed by the Deputy Commissioner/ Chairman, DRDA. He further added that owing to the insurgency problem in the State, the DRDAs have been selected as PIAs for the IWMP projects. He assured that the DPR preparation will be completed in 9 months time. He said that the staff would be in place within 6 months and initial capacity building exercise will be taken up for 40 persons in selected 9 institutions and will be completed by March, 2011. Secretary (LR) directed the CEO, SLNA, Manipur to expedite the recruitment process.
- (ii) The Committee observed that only 3 of the pre-IWMP projects have been completed out of 43 projects sanctioned. 16 Utilization Certificates amounting to Rs. 5.54 crore are pending. The CEO was advised to follow proper procedure for closure of 3 non-performing projects and prepare action plan for completion of other projects within the timelines specified by DoLR.
- (iii) The Committee was of the view that the proposed project areas in the three projects of Imphal East District was too small as compared to the total area of the Watersheds and suggested to club the projects to make them viable units. The CEO, SLNA informed that the area of the Development Block has inadvertently being shown in the column of total area of the project and agreed to the suggestions of clubbing the projects to make them viable units.
- (iv) NRAA representative said that the project area in Ukhrul, Thoubal, Churachandrapur and Chandel Districts have been proposed in round

figures and suggested that the area proposed in a project should be carefully deduced. CEO, SLNA agreed to the suggestion. The Committee advised the State representative to rework the area of the projects in these Districts.

- (v) After considering the presentation, the Committee appraised and cleared the 28 projects in 487 micro-watersheds covering an area of 1,27,626 ha subject to reworking of the area in the project districts. The list of projects is at **Annexure-II.**

7. NAGALAND

- (i) The Chairman SLNA cum Commissioner and Secretary, Land Resource Development Department, Govt. of Nagaland made a presentation on project proposals for the year 2010-11 under IWMP. During 2010-11, the State has proposed to treat 185 micro-watersheds (19 projects) over an area of 83,081.68 ha against the allocated target of 0.83 lakh ha.
- (ii) Regarding the progress of ongoing pre-IWMP projects, he informed the Committee that out of 42 projects sanctioned, 41 projects have been completed and the lone ongoing project will be completed on time. He informed that all Utilization Certificates have been furnished and there is no unspent balance.
- (iii) The Chairman SLNA, Nagaland informed that an amount of Rs. 125.13 lakh has been spent out of Rs. 164.75 lakh released for establishment of dedicated institutions for IWMP in the State and for preparatory phase for the projects sanctioned during 2009-10. He further added that the technical experts and staff have been engaged in SLNA and all WCDCs. He said that out of Rs. 797.96 lakh earmarked for capacity building, Rs. 319.18 lakh have been spent and 4016 stake holders at various levels (SLNA, District, WDT, WC, Village Council, SHGs, UGs) have been provided trainings. He informed that 252 Entry Point Activities have been taken up in all the project villages and Rs. 638.37 lakh earmarked for such activities have been spent. He further informed that the Detailed Project Report (DPR) for all 22 projects have been prepared but the State is facing difficulty in uploading these DPRs online, as the NIC officials are asking for exorbitant amount per GB storage in the departmental website.
- (iv) Secretary (LR) suggested that the matter may be referred in writing so that it can be taken up with the senior officers at NIC Headquarters in Delhi.

- (v) On the District wise proposal of projects proposed for 2010-11, the Committee observed that maps do not indicate the project numbers with location of the project in the District and suggested that the maps be labeled, accordingly. The State representative agreed to the suggestion of the Committee.
- (vi) After appraisal, the Committee cleared the proposal of SLNA, Nagaland for taking up 19 projects in 185 micro-watersheds covering 83081.68 ha. The details of the projects appraised and cleared by the Committee are at **Annexure-II**.

8. ORISSA

- (i) The presentation was made by CEO, SLNA cum Director, Orissa Watershed Development Mission. He informed that the State proposes to treat 622 micro-watersheds (62 projects) covering an area of 3.499 lakh ha against the allocated target of 3.45 lakh ha.
- (ii) Regarding the progress of implementation of ongoing pre-IWMP projects in Orissa, the Committee observed that under DPAP, 681 projects out of total 1319 sanctioned, were completed/ closed and the State has 638 ongoing projects. All Utilization Certificates have been furnished, and the unspent balance lying with the State as on 31.08.2010 was Rs. 34.44 crore. Similarly, under IWDP, 26 projects out of total 89 sanctioned, were completed/ closed and the State has 63 ongoing projects. 29 Utilization Certificates are pending, and the unspent balance lying with the State as on 31.08.2010 was Rs. 25.31 crore. CEO, SLNA informed that all projects will be completed within the timelines stipulated by DoLR. The Secretary (LR) directed the State to submit action plan for completion of the remaining projects.
- (iii) The State representative informed that a total amount of Rs. 1.0 lakh has been spent out of Rs. 314.2 lakh released by the DoLR towards dedicated institutions for IWMP in the State. He reasoned that the low expenditure was due to a clarification awaited from DoLR regarding management cost to be provided to the service provider for engaging experts & staff on contract basis to the dedicated institutions. Additional Secretary (LR) informed that the decision has been taken and will be communicated to the State very soon.
- (iv) Further, an amount of Rs. 641.0 lakh been spent on entry point and other preparatory phase activities for 65 projects sanctioned under IWMP during

2009-10. The balance 14 % of the 1st installment of the central share has been received by the State during the current financial year. He further informed that the preparation of DPR for all these projects is at an advanced stage and will be completed by November, 2010.

(v) The State representative informed that Entry Point activities undertaken under IWMP projects sanctioned during 2009-10 include construction of platform for open/ Tube well, construction of Drains, Bathing Ghats, Multi-purpose yard, fixation of travis, backyard fruit plantation, Animal health camps etc,. The Committee observed that out of Rs.16.12 crore earmarked for Entry Point activities, only Rs.4.85 crore have been spent and advised the State to expedite the pace of implementation of Entry Point activities. He further added that out of Rs.12.01 crore earmarked for capacity building, only Rs. 32.0 lakh have been spent and 2664 stake holders at various levels (SLNA, District, WDT, WC, Village Council, SHGs, UGs) have been provided trainings. Most of these trainings have been provided in- house including exposure visits to successful watersheds implemented by Orissa Watershed Development Mission. 150 officers and staff of IWMP have been trained at Directorate of Water Management Research (ICAR), Bhubaneswar the cost of which has been directly paid by DoLR.

(vi) After considering the presentation, the Committee appraised and cleared the 62 projects in 625 micro-watersheds covering an area of 3.499 lakh ha. The list of projects is at **Annexure-II**.

9. UTTARAKHAND

(i) The Additional CEO, Watershed Management Directorate (SLNA) of Uttarakhand made a presentation on project proposals for the year 2010-11 under IWMP. During 2010-11, the State has proposed to treat 102 micro-watersheds (39 projects) over an area of 2.03 lakh ha against the allocated target of 0.78 lakh ha. The State representative explained that an area of 1.70 lakh ha had been appraised and cleared by the Steering Committee of DoLR in its meeting held on 16.09.09 and SLNA had issued sanction orders for the same. However, the central funds were not released for the projects during 2009-10 as the project area included some reserved forest areas also.

- (ii) The Secretary (Watersheds), Uttarakhand had clarified that the proposal for 2010-11 includes the reworked project areas cleared during 2009-10, after excluding the reserved forest areas, as directed by the DoLR, as well as new areas. Hence, he requested the Committee to consider the entire area of 2.03 lakh ha for clearance.
- (iii) Regarding the progress of ongoing pre-IWMP projects, the Secretary (Watersheds) assured that proposal along with all the necessary documents for closure/ completion of the pre-Hariyali projects would be submitted to the Department within 2 months. The Committee directed the State representatives to communicate the plan for completion of all ongoing pre-IWMP projects, within the timelines prescribed, to DoLR at the earliest.
- (iv) On the Districtwise proposals for the year 2010-11 under IWMP, the Committee directed the State representatives to clearly mention the full designation of the PIAs to be appointed for each project while issuing the Sanction Order by SLNA. The State representative mentioned DPRs will be prepared expeditiously on receipt of funds. It was also informed to the Committee that the State has already taken action for engagement of experts & staff in SLNA and WCDCs and the process is expected to be completed within 2 months.
- (v) After appraisal, the Committee cleared the proposal of SLNA, Uttarakhand for taking up 39 projects in 102 microwatersheds covering 2,03,687 ha in 13 Districts. The details of the projects appraised and cleared by the Committee are at **Annexure-II**.

8. The Committee appraised and cleared a total area of 33.94 lakh ha in the States of Chhattisgarh, Gujarat, Maharashtra, Manipur, Nagaland, Orissa and Uttarakhand as detailed in **Annexure –II**.

The meeting ended with a vote of thanks to the Chair.
